RIVERVIEW WINS SECOND VICTORY FROM FAST FLOTILLA TEAM, 3 TO 2

A hit by Harry Mills and another by Sweeney in the pinth inning after two were out gave the Riverview club or the Norwich state hospital their second win over fast Sub Base team on Thursday afternoon at the State Hospital diamond. The game with airtight from the start to finish and was the best game that has been played on the hospital grounds this year. The exciting finish in the ninth inning came as a fitting climax to a well played game.

There was only one thing to mar the perfectness of the game and that was poor sportsmanship shown by the Sub Base management and their baby act when they refused to allow a man to run for McCarty who was in lured while pitching. The captain was apparently willing to give McCarty a runner but he passed the buck to some striper higher up for decision and the striper played the buck to some striper higher up for decision and the striper played the buck to some striper higher up for decision and the striper played the baby. This act did not meet with favor with the fans and the sentiment that had been about evenly divided turned to the Riverview team with the result that practically everyone on the grounds except the gobs were highly pleased. practically everyone on the ground except the gobs were highly pleased to see the Riverview club come

to see the Riverview club come through.

The long rank hurler McCarty for the Hospital had everything possible on the ball, his curves breaking close on the inside fooling batter after butter. He had 10 strike outs to his credit and allowed but seven scattered hits Furin pitched good ball striking out seven and allowing eight hits but was pulled out of the box in the ninth inning after Mills had driven out a hit. "Smoky Joe" Moore went on the same was tight and "Base went out the luck by seventh Mills hit safely as did Hart and Chase sending in two runs. The Hospital went into the ninth with all the confidence in the world but they reckened a little amiss for the first two men were easy outs. Then came Mills Mills had started the rally before and everything depended on him. He was equall to the occasion and pounded out a hit that went for two hases. Then Sweeney, who had failed to hit in three times upcame through with his drive to right field and Mills romped home with the game.

CLOSE FINISHES FEATURE GRAND CIRCUIT BILL AT KALAMAZOO

Kalamazoo, Mich., July 20—(By the day that ever attended a Grand Cir-L. P.)—Close finishes featured the Cult meeting in Kalamazoo.

The summaries: A. P.)-Close finishes featured the afternoon's Grand Circuit racing bil at Recreation Park. An average time of 2:06 2-3 was made in the 12 heats

In three of the 12 miles, less than a length separated the first and second horses with the field close up.

The big upset of the day took place in the 2:07 trot, when Main Lick, the favorite, finished fifth in the three heats with Pop Geers' Peter Juno leading. King Watts was second in the first mile, but had to give way to Miss Ellen Todd in the remaining heats.

to Miss Ellen Todd in the remaining heats.

After winning the first mile of the \$3,000 Columbia hotel purse for 2:13 trotters, with the Laurel Hall, Walter Cox had to draw the eastern colt on account of lameness after which Tommy Marphy drove Princess Etawah to victory in straight heats. The Murphy mare finished behind the Cox entry in the opening. Voltage and Walter Sterling split the third honors.

The best time of the afternoon was hung up in the 3:12 pace, when the southern filly Abbacy, the favorite, traveled the second heat in 2:04 1-2; the Thomas entry took the race in straight heats with King Bingen and Robert M., taking turns in hurrying the winner, along down the stretch.

Lee Tide and Noble Argot, were even up favorites in the 2:19 trot, the Cox entry taking two out of three heats, finishing second to Frederick K., in the opening mile while the best the Geers' horse coud do was to trail the pair except in the second mile when the Memphis star came in second in a closely bunched finish.

The crowd was the largest Thurs-

The opposition furnished to Tilden by Sidney L. Beals of Boston, was not of the most spirited order, but two of the games were carried to hard struggle. The summaries:

Williams is using his new steel framed and strung racquet and the merits of the new "frying pan" are being discussed pro and con. On the whole today, Williams got off, his shots with his old time crispness, but there was not an inkling of defensive play in his game. It was an accordance or an error with the 1921 United States Davis cup leader, and to his credit his streaks of erratic play were widely scattered.

Sound tennis judges fact the stream of the structure of the summaries:

Sound tennis judges feel that Williams can overcome Wallace Johnson tomorrow, but the Philadelphia copatroker is not far from his best form Johnson had greater control than J. W. Foster today, so that the Boston veteran yielded after he had gained five games.
